# Christmas Greetings

“God is love. Whoever lives in love lives in God, and God in them.”  
 (1 John 4:16)

Dear Colleagues, Students, Friends, and Well-Wishers,

Warm Christmas greetings to each one of you from Manipur Theological College!

The verse, “God is love. Whoever lives in love lives in God, and God in them” (1 John 4:16), beautifully captures the heart of Christmas. As we celebrate this blessed season, we are invited once again to reflect on the profound mystery of Love Divine—a love that came down at Christmas, a love that restores, heals, and transforms. The birth of Jesus Christ is the supreme expression of God's unlimited love for humanity—a love that reaches out to the broken, embraces the forgotten, and uplifts the weary.

In a world where love is often conditional and fragile, Christmas reminds us of a love that is steadfast, selfless, and everlasting. This Love Divine calls us to move beyond ourselves toward acts of compassion, forgiveness, generosity, and service. It challenges us to build a community marked by empathy, dignity, and mutual care.

As a college community and as a church, may this season deepen our commitment to cultivate relationships grounded in respect and understanding. Let Divine Love inspire our words, guide our decisions, and shape our shared journey. When love leads, peace follows; when love grows, harmony flourishes; and when love is lived out, lives are changed. To “live in love” is to reflect the very nature of God in our daily life and interactions. When Divine Love fills us, we become instruments of harmony, kindness, and grace in the world.

May the love of Christ fill your hearts with joy and your homes with warmth. Wishing you and your loved ones A BLESSED CHRISTMAS 2025 and A GRACE-FILLED NEW YEAR 2026.

With heartfelt blessings,  
 Rev. Dr. Kennedy Poumai

## Christmas Beyond Christmas Prize

Rev. Dr. Wungnaowung Zimik

We often say that Christmas is “a happy one” when we receive gifts and prizes during the celebration. If we do not get prize, Christmas is not good. We observe Christmas for a name's sake and for the prize only without knowing the true meaning and joy of Christmas. What a great joy Christmas brings! When Jesus was born, the whole world rejoiced. The poor, the marginalized, and the underprivileged all awaited the coming of Jesus Christ on Christmas Day. The entire world waited for the arrival of the newborn King.

The angels of the Lord rejoiced and praised the newborn King. They proclaimed the message of peace on earth and glorified God in the highest. They informed the birth of Jesus to the shepherds. They were terrified to hear the news. They must be thinking that how such good news is informed to them. It should be announced to the rich, educated and the rulers of the world. However, they reverently went to the stable to worship the king of Kings. They were unaware of the birth of the Baby, born of the Virgin Mary and conceived by the Holy Spirit. The whole universe rejoiced and glorified His name.

He is Immanuel, “He is with us to comfort, enlighten, protect, and defend us, in every time of temptation and trial, in the hour of death, in the day of judgment; and God with us and in us, and we with and in him, to all eternity. In what sense then, is Christ God with us, in a situation where fears and doubts overshadowed the world?

On that dark, cold night, Jesus was born in Bethlehem to fulfill the prophecies of the prophets. Come, let us rejoice and celebrate the blessing of Christmas! For God has reconciled with humankind and incarnated Himself in the person of Jesus, who dwelt among us. He has redeemed us from the bondage of sin.

Merry Christmas to all our dear and loved ones! May you have a blessed season filled with peace and joy! Let us sing and offer praises to the One born in David's city. Let us worship with music and adore Him—Christ the Lord. As the three wise men followed the guiding of the morning star, may our lives be guided by His will as we offer Him the gift of thanksgiving this Christmas?
